

SOFIA'S FIRST CRUISE A1

Sofia is on a big cruise ship. It is her first cruise. The ship goes from New York to the Caribbean. The weather is sunny and warm.

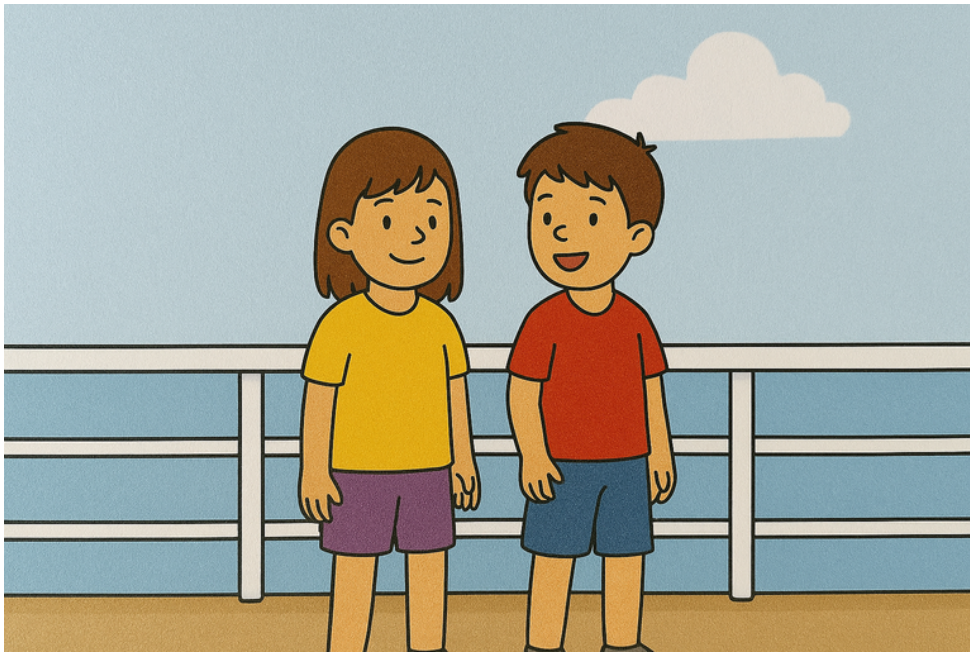

Sofia has a small cabin with a big window. She can see the sea from her bed. Every morning, she eats breakfast at the buffet. She likes pancakes and orange juice.

In the afternoon, she goes to the pool. She swims and relaxes in a chair.

Sometimes, she watches a show at night. The music and dancing are fun!

On Thursday, the ship stops at a port. Sofia takes a small boat to the beach. She walks, swims, and takes many pictures.

Sofia is very happy. She loves cruise life!
