

HOLIDAY AND

PRESENTS

@mariaenglishlessons

What was the best thing about your holidays?

Where did you spend most of your holidays?

Who did you spend time with?

What present did you like the most?

Who gave you that present?

Why do you like it?

How do you use it?

Did you get any surprise presents? What were they?

Which present did you use first?
If you could give one present to someone else, what
would it be?
What games did you play during the holidays?
What movies or shows did you watch?
What was the most delicious food you ate?
Did you travel anywhere? Where?
Did you meet anyone new? Who?
What was one funny moment from your holidays?
What was one problem – and how did you fix it?
What made you feel happy?

What made you feel tired?

If you could repeat one day, which day would it be?

What present do you wish you had received?

If you could design your own present, what would it be?

What present would you give to your best friend – and why?

What did you learn during the holidays?

If your holidays were a emoji, which one would you choose –
and why?
