10. Writing

Write 6–8 sentences using Present Continuous and town vocabulary.

Example start:

People are walking along Main Street. A man is sitting in the café. A woman is crossing the street near the bank...

Reading:

What Is Happening in the Town?

It is a busy day in the town. People are doing many things.

In the main square, some people are sitting in a café and drinking coffee. A man is reading a book from the bookshop. Two children are running and playing near the fountain.

On Main Street, a woman is walking her dog. A police officer is standing in front of the police station and talking to a man. Near the bank, people are waiting to cross the street.

On Park Avenue, families are walking in the park. Some children are playing games, and others are riding their bikes. A man is sitting on a bench and reading a newspaper.

Near the hospital, a doctor is talking to a patient. At the bus station, people are waiting for the bus and looking at their phones.

Everyone is busy, and the town is full of life.
